Re: **James Clarke v. Morris Hills Center and Darryl Jordon**
Civil Action No.: 09-4520

Dear Judge Greenaway:

Please be advised that I represent the Plaintiff in the above mentioned matter. The attorney for Darryl Jordon has filed a Notice of Motion to Dismiss which is returnable before Your Honor on March 1, 2010. I respectfully request a one cycle adjournment of the Notice of Motion to allow me time to file a response to same. I was working on a Cross Motion and summary judgment response on another matter that was adjourned once so I did not have time to properly respond to this motion.

Please be advised that I do not have the consent of Mr. Anyanwu for this adjournment request. If my request is granted, the motion will be returnable on March 15, 2010 and my response would be due by March 1, 2010.

Kindly advise. I thank you in advance for your anticipated courtesies and cooperation.

Respectfully Yours,
Garces & Grabler
